

Nomination for TANZ INC Taonga Award

1. Once completed, this form should be sent by conference@tradeaid.org.nz with "TANZ awards" in the subject line.

2. The criteria to be used in determining a successful nomination have been decided by the TANZ Committee as follows:

The TANZ Inc Taonga Award recognises people who have contributed to the Movement in any capacity (locally or nationally) for a period of 25 years or more. They will be recognised by their peers as someone who demonstrates exemplary commitment to Trade Aid through their length of service as well as their expression of the vision and values in their work. It is the combination of both length of service and passion for their contribution to the Movement that identifies this person as a Trade Aid taonga.
